HAPPY HOLIDAYS!

DWMK CHRISTMAS FAMILY ADOPTION

by Kris Nichols

The attorneys and staff at DWMK are once again participating in a firm-wide Christmas project. This year, through Hope of the Grand Valley, the attorneys and staff are adopting a family that does not qualify for other charitable services, such as the Salvation Army, Catholic Outreach, or Homeward Bound. Although they are a hard working family, their dollars do not stretch far enough for emergencies, unexpected purchases, car repairs, and especially Christmas gifts for their children. Dufford Waldeck will provide gifts for the entire family, as well as groceries for a wonderful Christmas dinner. The firm is also sponsoring a food drive for the family, in addition to the Christmas gifts and dinner.

The attorneys and staff at Dufford Waldeck are honored to help support a struggling family in Mesa County during the holiday season, and we feel blessed to be able to give back to a community that we are so proud to be a part of, especially as this community has been so supportive of our firm over the years.

If you, or anyone you know, would like to adopt a family for the holidays, or would like any more information on the charitable works performed by Hope of the Grand Valley, please visit their website at www.hopegv.org.

LEAGUE OF WOMEN VOTERS HOSTS ANNUAL WINE AND CHEESE PARTY

by Staff

In December, the League of Women Voters hosted its annual "Wine and Cheese" party in downtown Grand Junction. League Vice-President, and DWMK attorney, Barbara Butler participated. The event provided an opportunity to celebrate, and to say thank you to all of the sponsors who have contributed to the League throughout the year. In addition, the party also gave the League a chance to say thank you to all of the wonderful people who made presentations at the League's bi-monthly meetings. The League is very appreciative of those who were willing to step up and campaign for public office, and win or lose, the elected and appointed public officials have the League's admiration.

PRO BONO PROJECT HOLDS ANNUAL LAW-LAW-PALOOZA

by Staff

In November, the Mesa County Pro Bono Project held its annual LawLawPalooza fundraiser. The Pro Bono Project raised a significant amount of money, and it also gave the Project an opportunity to speak with new lawyers about the importance of service to the community. Ms. Butler recently completed her tenure as the President of the Pro Bono Project and plans to remain on the board for the

foreseeable future. The Pro Bono Project coordinates the provision of free legal services to Mesa County

citizens in need, focusing on services to victims of domestic violence.

AND A HAPPY NEW YEAR!

Dufford Waldeck Attorneys, Staff, and Family celebrate the season at their annual holiday party.

FROM EVERYONE AT DWMK:

We wish you and yours a safe and happy Holiday and a joyous New Year! Here's to 2013!
